Dear Professor Woodman,

### **Accreditation by the British Accreditation Council**

I am pleased to inform you that the Accreditation Sub-Committee agreed to award approved candidate for accreditation status to ICRI Global Research. I should like to congratulate you and your staff on a successful inspection, and look forward to our association. You may now include the following statement in your publicity material:

*Approved Candidate for Accreditation by the British Accreditation Council for Independent Further and Higher Education*

I now enclose:

- i) Two copies of the Institutional Report (one unbound for ease of photocopying). Please note that this report may only be issued as a whole in publicity material etc. Should you wish to publish a short report summary, please contact the BAC office and we will be happy to provide a statement. If there are any factual errors, or any aspects which you would like to be clarified, please do not hesitate to get in touch.
- ii) The Accreditation Certificate.

In accordance with BAC accreditation guidelines, the College's approved candidate for accreditation status is valid for 6 months. Before the end of this period, the College will be subject to a stage 3 inspection. This inspection will focus specifically on teaching and learning and the management of quality, as well as checking that the matters detailed in Section 3 of the report have been addressed.

You will now be able to access the College Gateway on the BAC website ([www.the-bac.org](http://www.the-bac.org)). Within this section you will find versions of the BAC logo that are available to download for use

on college publicity. Please go to [www.the-bac.org/csec/](http://www.the-bac.org/csec/). The College login details (for BAC colleges only) are:

Username: college  
Password: intermezzo

Please could you check your College's details on the BAC website. If there are any inaccuracies, please send an e-mail to [clare@the-bac.org](mailto:clare@the-bac.org) detailing the necessary amendments.

Furthermore, as one of the requirements of accreditation, all Colleges must pay an annual accreditation fee, calculated on the basis of their student enrolment numbers. I enclose with this letter a form for entering your enrolment details, which I would be grateful if you could fill out and return to us by 12 October 2009.

I would like to wish you and your colleagues every success for the future.

Yours sincerely

A handwritten signature in black ink that reads 'G. Hobson'.
